Extending your DSGHP coverage after graduation or separation from Dartmouth (All DSGHP Enrollees)

DSGHP coverage continues through August 31st. Once you have graduated or separated from the College, you can extend this coverage through the DSGHP Extension of Eligibility (EOE). This can be done for up to six months, on a month to month basis. You can also enroll your dependents into this coverage if they were enrolled into the DSGHP. The premium is billed monthly, per person, and must be paid when forms are submitted.

For premium amounts or to enroll in the EOE, you will need to contact the DSGHP office within 31 days of your student coverage ending, with your preferred mailing address either by email at Dartmouth.Student.Health.Plan@Dartmouth.edu or by phone at 603-646-9449.

It is important, if you will no longer be on campus, to have your mail forwarded by the Hinman office. You may also contact HealthSmart at 1-844-206-0372, to change your address with them.
