

**Due to the COVID-19 Pandemic, the Dartmouth Student Group Health Plan (DSGHP) has added the following benefits until further notice:**

- DSGHP will cover COVID-19 testing & COVID-19 Telehealth with no cost-sharing to enrollees. Enrollees will not pay any out-of-pocket costs for this service.
- DSGHP will cover COVID-19 antibody testing at 100% if done at an in-network provider/facility.
- DSGHP will cover telemedicine (phone/video medical & mental health appointments) under the major medical of the plan (in & out-of-network deductibles/co-insurance/out-of-pocket maximums will be applied).

**\*\*Important prescription/medication information during this time of limited access to the four preferred pharmacies (Dick Hall's House Pharmacy, Dartmouth-Hitchcock Pharmacy, Dartmouth-Hitchcock Pharmacy at Centerra & Cheshire Medical Center Pharmacy) \*\***

Temporarily, during this time of limited access to the three preferred pharmacies above, or until such time the Federal Government allows these pharmacies to do mail-order prescriptions to all US states, the co-pays for these preferred pharmacies have been extended to all in-network pharmacies. For a basic list of in-network chain pharmacies, please visit <https://www.wellfleetrx.com>. If your pharmacy is not on this list, you can also ask them if they participate in the Kroger network. If you have any questions about the network or prescription coverage, please call Wellfleet Rx at 1-888-265-7884.

Please see the co-pay information below.

Tier 1 Non-Specialty

- \$10 copayment per 30 day prescription
- \$20 copayment per 31-90 day prescription

Tier 2 Non-Specialty

- \$20 copayment per 30 day prescription
- \$40 copayment per 31-90 prescription

Tier 3 Non-Specialty

- \$50 copayment per 30 day prescription
- \$100 copayment per 31-90 day prescription

Tier 1 and 2 Specialty

- \$50 copayment (30 day supply max)

Tier 3 Specialty

- \$100 copayment (30 day supply max)

100% coverage (not subject to the prescription plan year deductible) for generic contraception medication and medically necessary brand name and/or specialty contraception medication

- Prescriptions/Refills:

- The College Health Service Pharmacy can mail refills on file to many states (NH, VT, MA, ME, NY, CT, PA, GA, FL, AZ, and CO). If you live in a state not on this list, the pharmacy can transfer your prescription to a local pharmacy near you. The pharmacy stands ready to support requests for filling and mailing from here or calling refills into pharmacies near you.
- If you need a refill and your prescription was written by a College Health Service provider, please contact your provider through Primary Care, at 603-646-9400, or Counseling, at 603-646-9442. Health Service providers will be happy to send a refill order to a pharmacy near you. If you call, please have the name, phone number, and full address of your preferred pharmacy when you call.
- If your prescription was written by a provider outside of the College Health Service, you should contact that provider directly for a refill.
- You should also know that given the disruption COVID-19 is causing nationally, many insurance companies, including the DSGHP, are covering prescription overrides/early refills at their usual standard rate.
