If enrolling dependents from the beginning of the plan year, **dependent coverage begins on September 1st. If you believe coverage should begin on a different date, please contact the DSGHP Office for information on how to do this. **New students may enroll dependents when their plan begins, on August 1st, for an additional fee. Please contact the DSGHP office for this fee.**

NOTE: The DSGHP dependent premium and spouse Health Access Fee are in addition to the DSGHP student premium and Health Access Fee. Dependent Applications are valid for one plan year, and must be resubmitted annually.

My signature below authorizes my spouse and/or dependent child/children to be enrolled into the DSGHP. I wish for their coverage to become effective: ________________ and continue until the end of the plan year, August 31. I also authorize the DSGHP premium of $__________ and the **$495.00** annual spouse health access fee to be charged to my student account.

I understand that I must file a written notice to terminate DSGHP coverage prior to August 31. Please refer to the DSGHP plan document or website for termination dates and requirements.

I declare the above information to be true and valid. I understand that my Dependent plan coverage is considered to be secondary to other insurance (if applicable) and is subject to all plan eligibility requirements, limitations, and provisions.
