#### What if these pharmacies don’t carry my medication?

- Contact the DSGHP office using one of the methods below and advise that the preferred pharmacies are unable to fill your medication.
  - Email: [dartmouth.student.health.plan@dartmouth.edu](mailto:dartmouth.student.health.plan@dartmouth.edu)
  - Phone: 603-646-9438
  - Or email Wellfleet Student: [pharmacy@wellfleetinsurance.com](mailto:pharmacy@wellfleetinsurance.com)
- Wellfleet will verify this information and subsequently enter an override for the requested medication that will allow you to fill it at an in-network pharmacy of your choice, at the lower cost sharing amount that is normally exclusive to the preferred pharmacies.
- Once the medication becomes available at one of the 4 pharmacies, you will be notified by this pharmacy and will need to switch your prescription there to continue receiving the medication at the lower cost sharing amount.
