

Lab Billing Awareness

Health Service Access Fee Defined:

Enrolled Dartmouth Students, who are not on leave term or part time, are charged a Health Service Access Fee as part of the mandatory fees that are incorporated in your tuition. The Health Service Access Fee allows students to be eligible for care at Dartmouth College Health Service.

Available services can be found online at <https://students.dartmouth.edu/health-service/primary-care/services>.

Billable Services:

***Students with Dartmouth College Insurance:** Claims will be submitted to DSGHP Office by Patient

Accounts on your behalf.

***Students with Outside Insurance:** Billable services may be eligible for partial reimbursement through your insurance provider. Contact Patient Accounts for details.

Labs Services Offered:

Rapid In-House Tests:

Influenza Test \$45

No Cost In-House Lab Tests:

1. Glucose Finger Stick
2. HIV ½ Ab Oral
3. KOH Prep
4. Lipid Profile
5. Mono Screen
6. Saline Wet Mount
7. Strep A Screen

All Other Labs:

Other labs as needed are also offered, however these are securely processed at our local hospital, Dartmouth Hitchcock Medical Center. Many of the labs that are ordered commonly have no additional cost to the students, as they are covered under the Health Service Access Fee.

Labs that are **not** covered under the Health Service Access Fee will be billed to the student's health insurance. All bills for Lab Services will be generated from Dartmouth Hitchcock Medical Center. Depending on how your health insurance processes the claim, students may incur out of pocket costs. If you have questions about which labs will be billed to your insurance, please ask your ordering provider.

****Financial Aid:**

If you need financial assistance with any out of pocket medical costs, you should inquire about aid available through your school. Dartmouth Hitchcock Medical Center also offers financial aid, please call 603.650.5000 or visit the following link for more information:

****Outside Orders:**

Our lab can facilitate lab draws for outside providers. All labs ordered by outside providers will be billed through insurance. All outside orders must be received 3 business days prior to your appointment date. We do not accept lab orders if written by a family member or relative.
