Fall Closing Checklist

ALL RESIDENTS MUST LEAVE BY WEDNESDAY, NOVEMBER 24 @ 12 NOON

The only exception to this deadline is for students who have confirmation from the Housing Office that they are approved for interim housing. Please follow the instructions below. Anyone found in a residence hall after the deadline will be fined $100 and be subject to disciplinary action.

IMPORTANT INFORMATION FOR ALL STUDENTS

☐ Please continue to follow all COVID-19 community expectations during the move-out process, including wearing a face covering.

☐ Be aware that residential staff will be entering every room on November 24 (unless all residents have interim housing), for the purpose of making sure that the residents have followed closing procedures. During the course of the break, staff will be entering ALL rooms to make sure smoke detectors and room door hinges are working properly as well as to complete repairs requested by the residents or to address issues that may arise during the break such as leaking steam valves or plumbing issues. If these staff members encounter any potential violations of policy, a report will be written and followed up on when residents return from the break.

☐ Please provide your departure information in the checkout form available on DartHub, Housing StarPortal. This will help custodians with cleaning rooms and will be important to know if there is an emergency situation that necessitates knowing who may be in the building.

☐ Before you leave, please be sure to do the following:
  ☐ Close and lock all windows and your door.
  ☐ Unplug and defrost your refrigerator. Clean out anything that belongs to you in public refrigerators and laundry rooms.
  ☐ Take recycling and trash from your room to the hallway garbage cans and recycling areas.

ARE YOU LEAVING YOUR ROOM ONLY FOR THE INTERIM?

☐ You do not need to remove your belongings though you may want to take valuable items home with you.

☐ Take your room key with you! You may be charged for a room unlock by Safety & Security if you return without your key.

☐ Turn off your computer, lights, stereos, & alarm clocks, and unplug items to protect against power surges.

☐ Remove your belongings from the bathroom so that the custodian can clean.

☐ If you will be getting a new roommate next term, please ensure that the custodian can determine what space the new resident will be occupying so they can clean it. Make sure that you do not have belongings in the way that will impede cleaning.

☐ Note that opening for the winter term is Sunday, January 2.

ARE YOU CHANGING ROOMS FOR WINTER TERM?

☐ Plan to have all of your personal belongings packed and removed from your current room by noon on November 24. You cannot do this in January; you must pack and move out of your fall room. Failure to pack and remove your belongings will result in a $100 fine, relocation costs to pack and move personal belongings, and possible disciplinary action. If you have interim housing, refer to specific moving instructions included in your assignment email. If you will be using Controlled Storage, plan accordingly because you must have everything out of your room by the November 24 deadline. Note that controlled storage and trunk room storage are not available November 25-28.

☐ If you would like to request to store your belongings in your new room, please contact the Residential Operations Office to obtain a permission slip. We will not know if this option is available to you until the week of November 15. Failure to get a permission slip and display it with your belongings may result in your belongings being removed from the room and possibly discarded. You may store belongings in controlled storage or in the trunk room for the building to which you are moving. Note that furniture—e.g. mattresses, futons, sofas, chairs—will not be accepted for controlled storage. Pack so that you can get to items you will need right away when you return regardless if controlled storage is open or not. Consider putting bedding and toiletries in the trunk room or your travel luggage.

Note that there will be no controlled storage or trunk room access November 25-November 28.

☐ If you are moving out of your current building, all of your items must be removed from the building’s trunk room.

ARE YOU MOVING OUT FOR 1 OR MORE TERMS?

☐ Place items in controlled storage early. We offer limited controlled storage on a first-come, first-served basis. Note that there will be no access November 25-November 28.

☐ Remove all items from the trunk room.

☐ Plan to have all of your personal belongings packed and removed by the deadline. Failure to do so will result in a $100 fine, relocation costs to pack and move personal belongings, and possible disciplinary action. We will not contact you to arrange removal of your items. If you will be using Controlled Storage, plan accordingly because you must have everything out of your room by the deadline.

☐ Double-check your drawers and closets. The College is not responsible for items that you leave behind.

☐ Return your key to a drop box using a key return envelope. Failure to return your key by 3pm on November 24 will result in a lock change and $55 charge to your DaSh account. There is a $15 charge for not using a key envelope.

☐ Please leave your room in good condition. If it is left in such a condition that it requires more than routine cleaning, a minimum charge of $55 will be assessed.

☐ You are responsible for making sure there is a bed, dresser, desk, and closet space empty and available for the next occupant.
