RULES GOVERNING USE OF DCSI AND ENTERPRISE VEHICLES

These rules are very important for protecting personal safety and program liability. If these standards of use are not followed, the privilege to use College vehicles could be eliminated, and with it, the viability of the programs at DCSI.

LOGISTICS:
Only Dartmouth College Certified Drivers with a current driver authorization on file may drive for DCSI programs.

- DCSI car reservations can be made online at http://veribook.com/#vs=HomePageState&hId=1. On-line reservations are preferred and must be made 24 hours in advance; same day reservations will need to be made in person or via email, depending on availability. Do not go to Safety and Security to reserve a car.
- You can pick up and return keys to DCSI between the hours of 7:30 AM and 3:59 PM on weekdays. Safety and Security manages key pick up and return after hours and on weekends.
- DCSI cars have designated parking spots on campus. Please park the cars in the appropriately marked spots. If DCSI spots are taken, park in the Maynard or Dewey Lot and let DCSI know immediately so the next person can find the car.
- Enterprise reservations can be requested by emailing social.impact.cars@dartmouth.edu. Keys are managed through Enterprise at 25 Lebanon St, Monday-Friday 8:00 AM to 5:00 PM.
- Enterprise vehicles are parked in A Lot. There is a drop box to return keys and gas cards in A lot.
- Fuel for vehicles: There is a gas card and pin number with each set of keys; You must return DCSI and Enterprise vehicles with a full tank of gas.

RULES:
- You may not use a DCSI or Enterprise vehicle for personal use, or any use unrelated to a DCSI program. No one may ride in DCSI or Enterprise vehicles unless they are directly associated with the DCSI program for which the car is reserved. For example, do not bring along uninvolved friends, or the non-enrolled siblings of children in our programs.
- You may only reserve a car for up to 4 hours per day unless otherwise arranged with DCSI.
- You must have your drivers license on you when picking up and driving a vehicle.
- You must cancel your reservation if you find you will not need the vehicle. This may be done by emailing social.impact.cars@dartmouth.edu. A reserved car will not be held for more than 15 minutes. Failure to cancel a reservation may result in penalties and or a charge to your program.
- If you lose the key to a vehicle you will be responsible for the cost of replacing it (this could be as high as $300.00).
- If you lose the gas card, you will be responsible for paying the $10.00 replacement fee.
- It is the responsibility of ALL drivers to make sure that trash is removed from the vehicle when it is returned.
- All parking or speeding violation fines and tickets are your responsibility. DCSI cars are NOT exempt from any parking restrictions on or off campus. Obey the rules.
