Greetings,

The Undergraduate Deans Office is reaching out to eligible students to get information about your plans for participating in the Spring Term 2024 commencement celebration.

Each year, Dartmouth welcomes students who are close to finishing their graduation requirements to participate in the commencement ceremony. Our records indicate you will not complete your graduation requirements by the end of the 2024 spring term, but you will have completed between 31-34 credits at the conclusion of this term, making you eligible to participate in commencement. (You can confirm the outstanding credit count or degree requirements by going to DartHub and click on the "DegreeWorks" link.)

Preparations for the event are currently underway and information can be found on the [Dartmouth Commencement 2024 website](#).

Please let us know if you would like to be included in this year's commencement ceremony by responding to the following survey **no later than 4:00 p.m. on Wednesday, May 15**.

[Click to Complete Survey](#)

You will not be included unless you have responded to the survey by the deadline and have received official e-mail confirmation from the Undergraduate Deans Office that you are included.

Inclusion in the event is conditional upon successful completion of spring term coursework and does count as your one-time eligibility to participate in a Dartmouth undergraduate commencement ceremony.

Remember: the deadline is **Wednesday, May 15 at 4:00 p.m.** We look forward to hearing from you. Please see information below regarding academic regalia.

### [Academic Regalia \(Caps and Gowns\)](#)
